

## Wednesday Walk — Black Mountain from Caswell Drive — 2016-08-17

A large attendance showed how popular was the orchid discovery tour guided by Tony Wood. We started off in fine partly cloudy weather with a coolish breeze.

Orchids which were observed flowering were: *Pterostylis nutans*, in large drifts, *Bunochilus umbrinus*, *Acianthus collinus*, *Corybas incurvus* (syn *Corysanthes incurva*) and *Cyrtostylis reniformis* in bud.

There were many rosettes and leaves evident of *Diplodium*, *Eriochilus*, *Glossodia* and other *Caladenias*.

A hardy few continued the walk to a track junction for lunch, then headed home as rain threatened.

Species flowering were *Leucopogon attenuatus*, *Hovea heterophylla*, *Acacia gunnii* and *Acacia buxifolia*, and *Hardenbergia violacea*, leaving an impression of white, yellow and purple among the different hues of green.

Thanks again to Tony Wood for his expertise.

# Plant List for Black Mountain from Caswell Drive – 17 August 2016

? indicates that those present were unsure of the plant name

Acacia buxifolia	Hovea heterophylla
Acacia decurrens	Hydrocotyle laxiflora
Acacia genistifolia	Indigofera australis
Acacia gunnii	Lepidosperma laterale
Acianthus collinus	Leptospermum multicaule
Astroloma humifusum	Leucopogon attenuatus
Brachyloma daphnoides	Leucopogon virgatus
Bunochilus umbrinus	Lomandra filiformis ssp. coriacea
Bursaria spinosa	Lomandra filiformis ssp. filiformis
Callitris endlicheri	Lomandra longifolia
Cassinia longifolia	Lomandra multiflora
Cassinia quinquefaria	Luzula densiflora
Cassytha sp.	Melichrus urceolatus
Cheilanthes austrotenuifolia	Microlaena stipoides
Choretrum pauciflorum	Microseris lanceolata
Coronidium oxylepis ssp. lanatum	Mirbelia oxylobioides
Corybas incurvus (syn Corysanthes incurva)	Monotoca scoparia
Cryptandra sp Floriferous	Omphacomaria
Cyrtostylis reniformis	Persoonia rigida
Daucus glochidiatus	Phyllanthus hirtellus
Daviesia mimosoides	Pimelea linifolia
Dianella revoluta	Poa meionectes
Dichondra repens	Poa sieberiana
Dillwynia phyllicoides	Pomax umbellata
Dillwynia sericea	Poranthera microphylla
Dodonaea viscosa ssp. spatulata	Pterostylis nutans
Drosera ?auriculata	Pultenaea procumbens
Eucalyptus macrorhyncha	Rhytidosporum procumbens
Eucalyptus polyanthemos	Rytidosperma pallidum (Joycea pallida)
Eucalyptus rossii	Senecio sp.
Exocarpos cupressiformis	Speculantha rubescens (rosettes)
Galium gaudichaudii	Stackhousia monogyna
Geranium sp	Stellaria pungens
Glossodia major (leaves only)	Stylidium graminifolium
Glycine clandestina	Stypantra glauca
Gonocarpus tetragynus	Thelymitra sp.(leaves only)
Goodenia hederacea	Veronica perfoliata
Grevillea alpina	Vittadinia gracilis
Hakea decurrens	Wahlenbergia communis
Hardenbergia violacea	Wahlenbergia ?gracilis
Hibbertia calycina	Wahlenbergia stricta
Hibbertia obtusifolia	Xerochrysum viscosum
