

Rushes and Sedges in the Australian Capital Territory - as at October 2019

Eriocaulaceae

Eriocaulon scariosum

Juncaceae

Juncus alexandri subsp. *alexandri*

Juncus amabilis

*Juncus articulatus**

Juncus australis

Juncus brevibracteus

Juncus bufonius

*Juncus capitatus**

Juncus falcatus

Juncus filicaulis

Juncus flavidus

Juncus fockei

Juncus gregiflorus

Juncus holoschoenus

Juncus homalocaulis

Juncus phaeanthus

Juncus planifolius

Juncus prismatocarpus

Juncus remotiflorus

Juncus sandwithii

Juncus sarophorus

Juncus subsecundus

*Juncus tenuis**

Juncus thompsonianus

Juncus usitatus

Juncus vaginatus

Luzula alpestris

Luzula australasica subsp. *dura*

Luzula australasica x *L. novae-cambria*

Luzula densiflora

Luzula flaccida

Luzula meridionalis

Luzula modesta

Luzula novae-cambriae

Luzula ovata

Restionaceae

Baloskion australe

Centrolepis strigosa subsp. *strigosa* (formerly in

Centrolepidaceae)

Empodisma minus

Cyperaceae

Baumea articulata%

Baumea gunnii%

Baumea rubiginosa%

Bolboschoenus caldwellii

Bolboschoenus fluviatilis

Bolboschoenus medianus

Carex appressa

Carex bichenoviana

Carex blakei

Carex breviculmis

Carex chlorantha

*Carex disticha**

Carex fascicularis

Carex gaudichaudiana

Carex hebes

Carex incomitata

Carex inversa

Carex iynx

Carex polyantha

Carex rara susp. *capillaceae*

Carex tereticaulis

Cyperus concinnus

*Cyperus congestus**

Cyperus difformis

*Cyperus eragrostis**

Cyperus gunnii subsp. *gunnii*

Cyperus lhotskyanus

Cyperus lucidus

*Cyperus rotundus**

Cyperus sanguinolentus

Cyperus sphaeroideus

Eleocharis acuta

Eleocharis atricha

Eleocharis equisetina

Eleocharis gracilis

Eleocharis pusilla

Eleocharis sphacelata

Ficinia nodosa

Fimbristylis dichotoma

Gahnia subaequiglumis

Isolepis aucklandica

Isolepis cernua

Isolepis crassiuscula

Isolepis fluitans

Isolepis gaudichaudiana

Isolepis habra

Isolepis inundata

*Isolepis levynsiana**

*Isolepis marginata**

Isolepis montivaga

Isolepis multicaulis

Isolepis platycarpa

*Isolepis sepulcralis**

Isolepis subtilissima

Lepidosperma curtisiae

Lepidosperma gunnii

Lepidosperma laterale

Lepidosperma urophorum

Lipocarpa microcephala
Oreobolus distichus
Oreobolus oxycarpus subsp. oxycarpus
Oreobolus pumilio subsp. pumilio
Schoenoplectiella mucronata subsp. mucronata
Schoenoplectus pungens var. badius

Schoenoplectus tabernaemontani (formerly S.
validus)
Schoenus apogon
Schoenus latelaminatus
Scirpus polystachyus
Uncinia flaccida#

* Denotes exotic

% Please note that in PlantNet Flora Online, Baumea species are now classified as Machaerina species

Please note than in PlantNet Flora Online, Uncinia flaccida is now classified as Carex austroflaccida
