

## Wednesday Walk in the Aranda Bushland, ACT – 25 June 2008

The walk began from Bindubi Street at the point where the grassland gives way to eucalypt woodland. There are a few *Eucalyptus pauciflora* in the grassland and then as the slope begins, *E. bridgesiana*, *E. rubida*, and *E. blakelyi* make an appearance, followed by *E. melliadora*, *E. polyanthemos*, *E. rossii*, *E. mannifera* and *E. macrorhyncha*. Among the flowers seen were *Acacia genistifolia*, *Hardenbergia violacea* and *Melichrus urceolatus*. A useful booklet *Our Patch* by Friends of the Aranda Bushland has colour photos of most of the plants found in the reserve.

## Plant List for Aranda Bushland Walk – 25 June 2008

F (frequent or dominant); I p/c (intermittent patches and clumps or co-dominant); I (intermittent or subdominant); O p/c (occasional patches and clumps, generally greater than 5% cover but not co- or sub-dominant); O (occasional plants, less than 5% cover); R p/c (rare patches and clumps, less than 3 clumps of a maximum of 10 plants per clump); R (rare, less than 3 plants recorded along the transect). ? indicates that those present were unsure of the plant name.

<i>Acacia buxifolia</i>	O	<i>Eucalyptus macrorhyncha</i>	O
<i>Acacia dealbata</i>	O	<i>Eucalyptus mannifera</i>	O
<i>Acacia decurrens</i>	R	<i>Eucalyptus melliodora</i>	R
<i>Acacia genistifolia</i>	O	<i>Eucalyptus pauciflora</i>	R p/c
<i>Acacia gunnii</i>	O p/c	<i>Eucalyptus polyanthemus</i>	O
<i>Acacia implexa</i>	O p/c	<i>Eucalyptus rossii</i>	O
<i>Acacia mearnsii</i>	R	<i>Eucalyptus rubida</i>	O
<i>Acacia parramattensis</i>	R p/c	<i>Exocarpus cupressiformis</i>	O
<i>Acaena ovina</i>	R	<i>Galium gaudichaudii</i>	R
<i>Amyema miquelii</i>	R	<i>Geranium solanderi</i>	O
<i>Aristida ramosa</i>	O	<i>Gompholobium huegelii</i>	R p/c
<i>Astroloma humifusum</i>	R	<i>Gonocarpus tetragynus</i>	O
<i>Astrotricha ledifolia</i>	R	<i>Goodenia hederacea</i>	O
<i>Austrodanthonia laevis</i>	O	<i>Grevillea alpina</i>	O
<i>Austrodanthonia sp.</i>	O p/c	<i>Haloragis heterophylla</i>	R p/c
<i>Austrostipa ? bigeniculata</i>	R p/c	<i>Hardenbergia violacea</i>	O
<i>Austrostipa densiflora</i>	R p/c	<i>Helichrysum collinum</i>	O
<i>Austrostipa scabra ssp. falcata</i>	O p/c	<i>Hibbertia calycina</i>	O
<i>Billardiera scandens</i>	O	<i>Hibbertia obtusifolia</i>	O
<i>Bossiaea buxifolia</i>	R p/c	<i>Hibbertia riparia</i>	O
<i>Bothriochloa macra</i>	R p/c	<i>Hovea heterophylla</i>	O
<i>Brachyloma daphnoides</i>	O	<i>Hydrocotyle laxiflora</i>	O
<i>Bulbine bulbosa</i>	R p/c	<i>Hypericum gramineum</i>	R
<i>Carex appressa</i>	R p/c	<i>Indigofera australis</i>	O p/c
<i>Carex sp.</i>	R p/c	<i>Joycea pallida</i>	F
<i>Cassinia longifolia</i>	R p/c	<i>Juncus sp.</i>	R
<i>Cassinia quinquefaria</i>	O	<i>Kunzea ericoides</i>	O p/c
<i>Cassytha pubescens</i>	O	<i>Lepidosperma laterale</i>	O
<i>Cheilanthes austrotenuifolia</i>	O	<i>Leptospermum multicaule</i>	O
<i>Chrysocephalum apiculatum</i>	R	<i>Leucopogon fletcheri ssp. brevisepalus</i>	R
<i>Chrysocephalum semipapposum</i>	R	<i>Leucopogon virgatus</i>	R p/c
<i>Corunastylis sp.</i>	R p/c	<i>Lomandra filiformis ssp. coriacea</i>	O p/c
<i>Cryptandra amara var. longiflora</i>	O	<i>Lomandra filiformis ssp. filiformis</i>	O p/c
<i>Cymbonotus lawsonianus</i>	O	<i>Lomandra longifolia</i>	R p/c
<i>Cynoglossum suaveolens</i>	R	<i>Lomandra multiflora</i>	R p/c
<i>Daviesia mimosoides</i>	O	<i>Luzula sp.</i>	R
<i>Desmodium varians</i>	O	<i>Lythrum salicaria</i>	R p/c
<i>Dianella revoluta</i>	O	<i>Melichrus urceolatus</i>	O
<i>Dichelachne sp.</i>	O p/c	<i>Microlaena stipoides</i>	O p/c
<i>Dillwynia retorta var. phyllioides</i>	O	<i>Monotoca scoparia</i>	R p/c
<i>Dillwynia sericea</i>	R p/c	<i>Omphacomaria acerba</i>	R
<i>Einadia nutans</i>	O p/c	<i>Oxalis sp.</i>	R
<i>Elymus scaber</i>	R	<i>Panicum effusum</i>	O p/c
<i>Epilobium billardierianum</i>	R p/c	<i>Persicaria prostrata</i>	R
<i>Eragrostis ? brownii</i>	R p/c	<i>Pimelea curviflora var. sericea</i>	R
<i>Eucalyptus blakelyi</i>	O	<i>Plantago varia</i>	R p/c
<i>Eucalyptus bridgesiana</i>	O	<i>Poa meionectes</i>	O
<i>Eucalyptus dives</i>	R p/c	<i>Poa sieberiana</i>	O

Pterostylis sp. rosettes	R p/c	Stylidium graminifolium	O
Pultenaea procumbens	O	Themeda triandra	O p/c
Rumex brownii	R	Veronica calycina	R
Senecio hispidulus var. dissectus	R	Vittadinia gracilis	R p/c
Senecio sp.	R p/c	Vittadinia muelleri	O p/c
Solenogyne dominii	O p/c	Wahlenbergia stricta	O p/c
Stellaria pungens	R p/c
