

Wednesday Walk on Black Mountain from Belconnen Way – 7 July 2010

We started the walk from the car park on Belconnen Way where there is a stile to get over the fence. We explored the lower slopes, taking a narrow track under the powerlines to join a vehicle track which eventually took us to a saddle. From there we took a narrow track down to another vehicle track (Callitris Track) which eventually took us back to the start. We saw some good displays of *Cryptandra amara* var. *floribunda* and *Leucopogon attenuatus*. There were also some flowers on *Acacia genistifolia*. As always, the trees were a feature.

All images by Bill Willis

Eucalyptus rossii and *E. macrorhyncha*

Wednesday Walkers

Acacia parramattensis

Leucopogon attenuatus

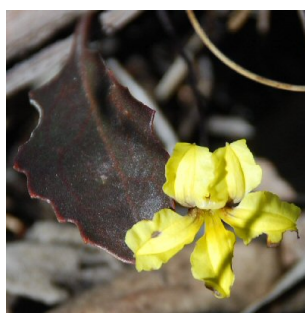

Acacia buxifolia in bud

A coral fungus

Cryptandra amara var. *floribunda*

Goodenia hederacea

Hakea decurrens

Opercularia hispida

Leucopogon attenuatus close up

Plant List for Black Mountain from Belconnen Way – 7 July 2010

? indicates that those present were unsure of the plant name

Acacia baileyana	Hibbertia obtusifolia
Acacia buxifolia	Hovea heterophylla
Acacia genistifolia	Hydrocotyle laxiflora
Acacia gunnii	Indigofera australis
Acacia implexa	Joycea pallida
Acacia parramattensis	Juncus sp.
Acacia penninervis	Kunzea ericoides
Acaena ovina	Kunzea parvifolia
Aristida ramosa	Lepidosperma laterale
Austrodanthonia laevis	Leptospermum multicaule
Austrodanthonia sp.	Leucopogon attenuatus
Austrostipa scabra ssp. falcata	Leucopogon fletcheri ssp. brevisepalus
Billardiera scandens	Leucopogon virgatus
Brachyloma daphnoides	Lomandra filiformis ssp coriacea
Brachyscome rigidula	Lomandra filiformis ssp filiformis
Carex breviculmis	Lomandra longifolia
Cassinia arcuata	Lomandra multiflora
Cassinia longifolia	Luzula densiflora
Cassinia quinquefaria	Melichrus urceolatus
Cassytha sp.	Microlaena stipoides
Cheilanthes austrotenuifolia	Microseris lanceolata
Chrysocephalum apiculatum	Monotoca scoparia
Chrysocephalum semipapposum	Opercularia hispida
Clematis microphylla var leptophylla	Persoonia rigida
Coronidium oxylepis ssp. lanatum	Phyllanthus hirtellus
Cryptandra amara var. floribunda	Pimelea curviflora
Cryptandra amara var. longiflora	Pimelea linifolia
Cymbonotus lawsonianus	Poa meionectes
Daucus glochidiatus	Poa sp.
Daviesia mimosoides	Pomaderris intermedia
Dianella revoluta	Pomax umbellata
Dichelachne micrantha	Pterostylis sp. ?
Dillwynia sericea	Pultenaea procumbens
Dodonaea viscosa ssp. spatulata	Rhytidosporum procumbens
Einadia nutans	Senecio quadridentatus
Eucalyptus bridgesiana	Senecio sp.
Eucalyptus mannifera	Solenogyne dominii
Eucalyptus melliodora	Stackhousia monogyna
Eucalyptus polyanthemus	Stylidium graminifolium
Eucalyptus rossii	Stypandra glauca
Exocarpos cupressiformis	Themeda triandra
Galium gaudichaudii	Thysanotus patersonii
Geranium sp.	Thysanotus tuberosus
Glossodia major	Viola betonicifolia
Gompholobium huegelii	Vittadinia gracilis
Gonocarpus tetragynus	Vittadinia muelleri
Goodenia hederacea	Wahlenbergia gracilis
Grevillea alpina	Wahlenbergia stricta
Hakea decurrens	Xerochrysum viscosum
Hardenbergia violacea	
Hibbertia calycina
