

## Wednesday Walk – Black Mountain from Frith Rd and Circuit – 1 July 2015

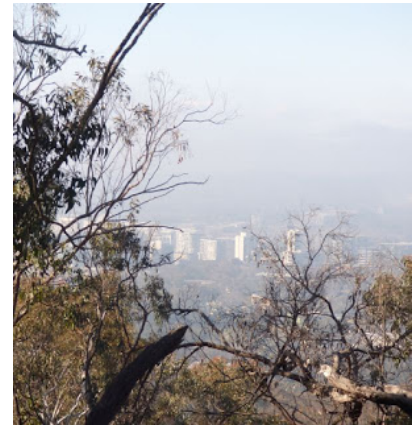

We started the walk from the end of Frith Road, taking a steep, newly-renovated path as far as the circuit which goes all the way around Black Mountain at a fairly high point. The vegetation changes around the circuit, as does the view and on this occasion it proved more interesting because of fog lifting. We saw a good variety of plants and some flowers - *Acacia genistifolia*, *Hardenbergia violacea*, *Hakea decurrens* and a few *Phyllanthus hirtellus*. There were a lot of things budding up well - *Brachyloma daphnoides*, *Acacia buxifolia*, *Grevillea alpina* (this is the name in the current Census of ACT Plants) - and good new growth on *Coronidium oxylepis* ssp. *lanatum* and *Wahlenbergia stricta*. The recently burnt areas had amazing regrowth of *Lomandra longifolia* and *Lomandra filiformis* ssp. *filiformis*. The trunks of *Eucalyptus rossii* were very slivery - some massive ones. For the images below: MB = Martin Butterfield, RF = Roger Farrow

First part of track – in fog MB

Circuit Track MB

View emerging from fog MB

*Acacia genistifolia* MB

*Hardenbergia violacea* MB

*Hakea decurrens* MB

*Phyllanthus hirtellus* MB

*Grevillea alpina* RF

## Plant List for Black Mountain Circuit – 1 July 2015

? indicates that those present were unsure of the plant name

*Acacia buxifolia*  
*Acacia genistifolia*  
*Acacia gunnii*

*Acacia implexa*  
*Acacia mearnsii*  
*Acacia melanoxylon*

Acacia penninervis  
 Acaena ovina  
 Austrostipa densiflora  
 Billardiera scandens  
 Brachyscome spathulata  
 Brachyloma daphnoides  
 Bursaria spinosa  
 Callitris endlicheri  
 Carex appressa  
 Cassinia aculeata  
 Cassinia longifolia  
 Cassinia quinquefaria  
 Cassytha sp.  
 Cheilanthes austrotenuifolia  
 Chrysocephalum semipapposum  
 Coronidium oxylepis ssp. lanatum  
 Cymbonotus lawsonianus  
 Daviesia mimosoides  
 Daviesia ulicifolia  
 Dianella revoluta  
 Dichelachne sp.  
 Dichondra repens  
 Dillwynia phyllicoides  
 Dodonaea viscosa ssp. spatulata  
 Echinopogon sp.  
 Eucalyptus macrorhyncha  
 Eucalyptus mannifera  
 Eucalyptus polyanthemus  
 Eucalyptus rossii  
 Exocarpos cupressiformis  
 Galium gaudichaudii  
 Glycine clandestina  
 Gonocarpus tetragynus  
 Goodenia hederacea  
 Grevillea alpina  
 Hakea decurrens  
 Hardenbergia violacea  
 Hibbertia obtusifolia  
 Hydrocotyle laxiflora  
 Hypericum gramineum  
 Indigofera australis  
 Lepidosperma laterale  
 Leptospermum multicaule  
 Leucopogon fletcheri ssp. brevisepalus  
 Leucopogon virgatus  
 Lomandra filiformis ssp. coriacea  
 Lomandra filiformis ssp. filiformis  
 Lomandra longifolia  
 Lomandra multiflora  
 Luzula densiflora  
 Melichrus urceolatus  
 Microlaena stipoides  
 Monotoca scoparia  
 Persoonia rigida

Phyllanthus hirtellus  
 Pimelea linifolia  
 Pleurosorus sp.  
 Poa sieberiana  
 Pomaderris intermedia  
 Pomax umbellata  
 Poranthera microphylla  
 Pteridium esculentum  
 Pultenaea procumbens  
 Ranunculus lappaceus  
 Rytidosperma pallidum  
 Rytidosperma sp.  
 Senecio sp.  
 Solanum linearifolium  
 Stackhousia monogyna  
 Stellaria pungens  
 Stypantha glauca  
 Veronica calycina  
 Vittadinia cuneata  
 Vittadinia gracilis  
 Wahlenbergia stricta  
 Xerochrysum viscosum

### **Bird List**

Common Bronzewing  
 Sulphur-crested Cockatoo  
 Crimson Rosella  
 White-throated Treecreeper  
 Superb Fairy-wren  
 Striated Pardalote  
 Buff-rumped Thornbill  
 Brown Thornbill  
 Striated Thornbill  
 Weebill  
 Pied Currawong  
 Grey Shrike-Thrush  
 Australian Raven  
 White-winged Chough  
 Scarlet Robin
