

Wednesday Walk on Farrer Ridge – 16 April 2014

The walk began from Muresk Street in Farrer. It was perfect weather and an easy walk with 85 species recorded from our list and we added 13 more. Flowering plants spotted were, *Brachyscome rigidula*, *Craspedia variabilis*, *Cymbopogon refractus*, *Cynoglossum suaveolens*, *C. australe*, *Diplodium laxum*, *Glycine tabacina*, *Goodenia hederacea*, *Hibbertia obtusifolia*, *Hypoxis hygrometrica*, *Vittadinia gracilis* and *Wahlenbergia stricta*. Just as we were heading for a lunch spot on some rocks we all got a good view of an echidna with the same idea. Lots of birds singing, nice views and a great day.

For the images below: FM = Fran Middleton, JG = Jean Geue

Walking Track JG

Goodenia hederacea JG

Hypoxis hygrometrica JG

View for lunch JG

Lunch companion FM

Brachyscome rigidula FM

Diplodium laxum JG

Chrysocephalum apiculatum JG

Desmodium brachypodum with seed pods
JG

Hibbertia obtusifolia JG

Xerochrysum viscosum JG

Cymbopogon refractus JG

Plant List for Farrer Ridge – 16 April 2014

? indicates that those present were unsure of the plant name

Acacia dealbata	Eucalyptus dives
Acacia decurrens	Eucalyptus melliodora
Acacia implexa	Eucalyptus polyanthemus
Acacia mearnsii	Eucalyptus rossii
Acacia ulicifolia	Exocarpos cupressiformis
Acaena ovina	Galium gaudichaudii
Ajuga australis	Geranium solanderi
Allocasuarina verticillata	Glycine clandestina
Amyema miquelii	Glycine tabacina
Aristida ramosa	Gompholobium huegelii
Asplenium flabellifolium	Gonocarpus tetragynus
Astroloma humifusum	Goodenia hederacea
Austrostipa densiflora	Haloragis heterophylla
Austrostipa scabra ssp. falcata	Hardenbergia violacea
Billardiera scandens var. scandens	Hibbertia obtusifolia
Bossiaea buxifolia	Hovea heterophylla
Bothriochloa macra	Hydrocotyle laxiflora
Brachychiton populneus	Hypericum gramineum
Brachyloma daphnoides	Hypoxis hygrometrica
Brachyscome rigidula	Indigofera adesmiifolia
Bursaria spinosa ssp. lasiophylla	Indigofera australis
Calotis scabiosifolia var. integrifolia	Lepidosperma laterale
Cassinia aculeata	Leptorhynchus squamatus
Cassinia longifolia	Leucopogon fletcheri ssp. brevisepalus
Cassinia quinquefaria	Lomandra filiformis ssp. coriacea
Cheilanthes austrotenuifolia	Lomandra filiformis ssp. filiformis
Chrysocephalum apiculatum	Lomandra multiflora
Chrysocephalum semipapposum	Luzula densiflora
Convolvulus erubescens	Melichrus urceolatus
Craspedia variabilis	Microlaena stipoides
Cryptandra amara var. floribunda	Monotoca scoparia
Cryptandra amara var. longiflora	Opercularia hispida
Cymbonotus lawsonianus	Pimelea curviflora var. sericea
Cymbopogon refractus	Pimelea linifolia
Cynoglossum australe	Plantago varia
Cynoglossum suaveolens	Pultenaea procumbens
Daucus glochidiatus	Rytidosperma pallidum
Daviesia mimosoides	Senecio quadridentatus
Desmodium brachypodum	Solanum cinereum
Desmodium varians	Solenogyne dominii
Dianella revoluta	Sorghum leiocladum
Dillwynia sericea	Stackhousia monogyna
Diplodinium laxum	Stypantra glauca
Einadia nutans	Thelymitra sp.
Enneapogon nigricans	Themeda triandra
Erodium crinitum	Tricoryne elatior
Eucalyptus blakelyi	Viola betonicifolia
Eucalyptus bridgesiana	Vittadinia gracilis

Vittadinia muelleri
Wahlenbergia communis
Wahlenbergia stricta
Xerochrysum viscosum
