

## Wednesday Walk – Mulligan’s Flat West – 29 April 2015

We began the walk from the entrance at the end of the new suburb of Bonner, on Mulligans Flat Road. It is mainly open woodland with some grassland. We walked north through the grassland before heading west and up the hill for lunch with a view. We were able to have a lot of practice IDing plants without flowers - some were a bit challenging. Many things were re-appearing such as *Craspedia variabilis* and *Leptorhynchos squamatus*. *Melichrus urceolatus* was flowering and there was the odd flower on *Vittadinia muelleri*, *Goodenia hederacea*, *Chrysocephalum semipapposum* and *Hypoxis hygrometrica* and many buds on *Cryptandra amara* and *Leucopogon fletcheri* ssp. *brevisepalus*. It was nice wandering from grassland to woodland and seeing the change in species. The views from the top were fantastic. For the images below FM =Fran Middleton, MR = Masumi Robertson.

Grassland merging into woodland MR

*Solenogyne dominii* appearing MR

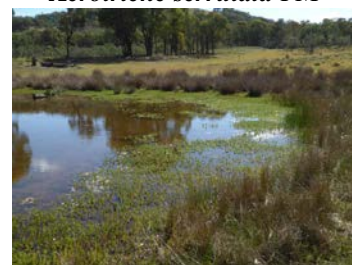

*Acrotriche serrulata* FM

*Oreomyrrhis eriopoda* FM

*Eriochilus cucullatus* FM

Dam MR

*Isotoma fluviatilis* MR

*Myriophyllum* sp. MR

*Astroloma humifusum* MR

View from the top MR

*Geranium* ? *solanderi* MR

*Xerochrysum viscosum* MR

*Lissanthe strigosa* FM

*Cryptandra amara* FM

*Vittadinia muelleri* MR

## Plant List for Mulligan's Flat - West – 29 April 2015

? indicates that those present were unsure of the plant name

Acacia dealbata	Geranium sp.
Acacia gunnii	Glycine clandestina
Acacia implexa	Gonocarpus tetragynus
Acacia parramattensis	Goodenia hederacea
Acaena ovina	Hibbertia obtusifolia
Acrotriche serrulata	Hovea heterophylla
Alternanthera sp.	Hydrocotyle laxiflora
Anthosachne scabra	Hydrocotyle tripartita
Aristida ramosa	Hypericum gramineum
Arthropodium minus	Hypoxis hygrometrica
Asperula conferta	Indigofera australis
Astroloma humifusum	Isotoma fluviatilis
Austrostipa bigeniculata	Juncus sp.
Austrostipa densiflora	Kunzea parvifolia
Austrostipa scabra ssp. falcata	Leptorhynchus squamatus
Bossiaea buxifolia	Leucopogon fletcheri ssp. brevisepalus
Bossiaea prostrata	Lissanthe strigosa
Bothriochloa macra	Lomandra filiformis ssp. coriacea
Brachyloma daphnoides	Lomandra filiformis ssp. filiformis
Carex inversa	Lomandra multiflora
Cassinia arcuata	Luzula densiflora
Cassinia longifolia	Melichrus urceolatus
Cheilanthes austrotenuifolia	Microlaena stipoides
Chrysocephalum apiculatum	Myriophyllum sp.
Chrysocephalum semipapposum	Opercularia hispida
Craspedia variabilis	Oreomyrrhis eriopoda
Cryptandra amara var. longiflora	Ottelia ovalifolia
Cymbonotus lawsonianus	Panicum effusum
Cynoglossum sp.	Persicaria prostrata
Daviesia genistifolia	Plantago varia
Daviesia leptophylla	Poa labillardieri
Desmodium varians	Poa sieberiana
Dianella revoluta	Poa sp.
Dichelachne sp.	Pultenaea procumbens
Dichondra repens	Pultenaea sp.
Dillwynia sericea	Ranunculus lappaceus
Einadia nutans	Rumex brownii
Eleocharis acuta	Rytidosperma carphoides
Epilobium sp.	Rytidosperma laevis
Eriochilus cucullatus	Rytidosperma pallida
Eryngium ovinum	Rytidosperma sp.
Eucalyptus blakelyi	Scleranthus biflorus
Eucalyptus bridgesiana	Senecio quadridentatus
Eucalyptus goniocalyx	Solenogyne dominii
Eucalyptus macrorhyncha	Stylidium graminifolium
Eucalyptus mannifera	Themeda triandra
Eucalyptus melliodora	Thysanotus patersonii
Eucalyptus rossii	Tricoryne elatior
Euphorbia drummondii	Veronica calycina
Exocarpos cupressiformis	Veronica gracilis
Galium gaudichaudii	Viola betonicifolia

Vittadinia gracilis  
Vittadinia muelleri  
Wahlenbergia communis  
Wahlenbergia sp.  
Wahlenbergia stricta
