

Wednesday Walk – Orroral Campground Loop – 26 February 2014

The walk is a short loop (1km) starting from the southern end of the Orroral Campground in Namadgi National Park. It meanders through fairly dry eucalypt forest initially and returns alongside a creek. *Eucalyptus rubida* (many) was the highlight with lovely red bark which looked even better when wet and lots of glaucous juvenile leaves. Also, *E. pauciflora*, *E. stellulata*, *E. bridgesiana* and *E. dives*. There was not much flowering at this time of year – some *Hypericum gramineum* and *Lythrum salicaria*. Other plants of interest were *Pimelea pauciflora*, *Dianella longifolia*, *Carex iynx*, *Olearia microphylla*, *Gompholobium huegelii*, *Acacia siculiformis*, *Desmodium gunnii*, *Leucopogon fraseri*, *Acrothamnus hookeri*, *Leptospermum myrtifolium*, *L. obovata*, *Gynatrix pulchella* and lots of other things.

Eucalyptus rubida JG

Dipodium sp. pods RF

Lythrum salicaria RF

Monotoca scoparia in bud RF

Phragmites australis GRK

Phragmites australis JG

Schoenoplectus validus RF

Plant List for the Orroral Campground Loop – 26 February 2014

? indicates that those present were unsure of the plant name

| | |
|------------------------|--|
| Acacia dealbata | Galium gaudichaudii |
| Acacia melanoxylon | Geranium sp. |
| Acacia rubida | Glycine clandestina |
| Acacia siculiformis | Gompholobium huegelii |
| Acaena ovina | Gonocarpus tetragynus |
| Acrothamnus hookeri | Gynatrix pulchella |
| Acrotriche serrulata | Hibbertia obtusifolia |
| Ajuga australis | Hovea heterophylla |
| Anthosachne scabra | Hydrocotyle laxiflora |
| Aristida ramosa | Hypericum gramineum |
| Asperula conferta | Leptospermum myrtifolium |
| Austrodanthonia sp. | Leptospermum obovatum |
| Bossiaea buxifolia | Leucopogon fletcheri ssp. brevisepalus |
| Bossiaea prostrata | Leucopogon fraseri |
| Brachyloma daphnoides | Lomandra filiformis ssp. filiformis |
| Bursaria spinosa | Lomandra longifolia |
| Carex appressa | Lomandra multiflora |
| Carex breviculmis | Lomatia myricoides |
| Carex iynx | Luzula densiflora |
| Cassinia aculeata | Lythrum salicaria |
| Cassinia longifolia | Microlaena stipoides |
| Cullen microcephalum | Monotoca scoparia |
| Cymbonotus lawsonianus | Olearia microphylla |
| Cynoglossum australe | Oreomyrrhis eriopoda |
| Cynoglossum suaveolens | Oxylobium ellipticum |
| Daviesia mimosoides | Panicum effusum |
| Desmodium gunnii | Persicaria prostrata |
| Dianella longifolia | Phragmites australis |
| Dianella revoluta | Pimelea curviflora |
| Dichondra repens | Pimelea linifolia |
| Dipodium sp. | Pimelea pauciflora |
| Epilobium sp. | Poa labillardieri |
| Eucalyptus bridgesiana | Poa sp. |
| Eucalyptus dives | Pultenaea procumbens |
| Eucalyptus pauciflora | Rubus parvifolius |
| Eucalyptus rubida | Rytidosperma pallidum |
| Eucalyptus stellulata | Schoenoplectus validus |
| Exocarpos strictus | Schoenus apogon |

Scleranthus biflorus
Scutellaria humilis
Stackhousia monogyna
Stellaria pungens
Stylidium graminifolium

Stylidium sp.
Themeda triandra
Veronica calycina
Viola betonicifolia
