

Following cancellation of the ANPSC October 2021 Native Plant Sale, the plants listed here may be available direct from the indicated ANPSC member-growers (this list will not be updated as plants are sold). Please make contact with the relevant growers, and negotiate a mutually acceptable way to purchase plants. Prices may vary between growers. Good luck with finding the plants you want, and fingers crossed for our Autumn Sale at the ANBG on Sat March 19th 2022! Linda Tabe, Plant Sale Coordinator. Oct-2021.
