

Wednesday Walk in South's Travelling Stock Reserve – 8 October 2014

South's TSR is on Mountain Ash Road between Goulburn and Bungonia. It is approx. 30 hectares and is made up of open forest, grassy woodland and secondary grassland. This was our second visit – a bit earlier than our previous one. There were some good displays and we added more species to our list. Flowering well were *Leucochrysum albicans* var. *tricolor*, *Pultenaea microphylla* (prostrate), *Diuris chryseopsis*, *Bulbine glauca*, *Microseris lanceolata*, *Calotis anthemoides*, *Leptorhynchos squamatus* and a few *Ajuga australis*. We missed the big patch of *Calotis cuneifolia* but did find one plant. It was interesting to see it at a different time of year. A future visit in November would be worthwhile.

For photos below: JG = Jean Geue, MB = Martin Butterfield, RF = Roger Farrow

General View JG

Diuris chryseopsis MB

Leucochrysum albicans var. *tricolor* MB

Eucalyptus cinerea RF

Plantago sp. RF

Carex appressa RF

Chrysocephalum semipapposum
RF

Schoenus apogon MB

Centrolepis strigosa RF

Centrolepis strigosa MB

Ranunculus lappaceus JG

Pultenaea microphylla JG

Ajuga australis RF

Plant List for South's Travelling Stock Reserve - 8 October 2014

? indicates that those present were unsure of the plant name

Acacia brownii
Acacia decurrens
Acacia genistifolia
Acacia terminalis
Ajuga australis
Aristida ramosa
Arthropodium sp.
Asperula conferta
Astroloma humifusum
Austrostipa scabra ssp. falcata
Bossiaea buxifolia
Bulbine bulbosa
Calocephalus citreus
Calotis anthemoides
Calotis cuneifolia
Carex appressa
Cassinia arcuata
Centrolepis strigosa
Cheilanthes sp.
Chrysocephalum apiculatum
Chrysocephalum semipapposum
Convolvulus erubescens
Crassula sieberiana
Cryptandra amara var. longiflora
Cymbonotus sp.
Daviesia ulicifolia
Diuris chryseopsis
Einadia nutans
Eryngium ovinum
Eucalyptus amplifolia
Eucalyptus melliodora
Geranium sp.
Gonocarpus tetragynus
Goodenia hederacea
Hibbertia obtusifolia
Hydrocotyle laxiflora
Hypericum gramineum
Kunzea parvifolia
Leptorhynchus squamatus
Leptospermum ? continentale
Leucochrysum albicans var. tricolor
Lissanthe strigosa
Lomandra multiflora
Luzula densiflora
Melichrus urceolatus
Microlaena stipoides
Microseris lanceolata
Microtis sp.
Mirbelia oxylobioides
Ophioglossum lusitanicum
Persoonia mollis
Pimelea curviflora
Plantago varia
Poa sp. (several)
Pultenaea microphylla
Ranunculus lappaceus
Schoenus apogon
Scleranthus biflorus
Senecio quadridentatus
Stackhousia monogyna
Stylidium graminifolium
Thelymitra sp.
Themeda triandra
Tricoryne elatior
Triptilodiscus pygmaeus
Vittadinia muelleri
Wurmbea dioica
