

Wednesday Walk at Sweeney's Travelling Stock Reserve – 19 March 2008

Sweeney's is a 40 hectare TSR on the Tarago Road between Bungendore and Tarago, NSW. It is a mixture of grassland and woodland with an extensive variety of native plants and few weeds. There is a dam and a few soaks, adding to the diversity of flora. The display of flowers in spring is astonishing in a good year. The walk in March 2008 was to explore the area across the railway line which we hadn't been on before. Two new plant species were added to our already extensive list – *Persoonia mollis* and *Damasonium minus*.

***Eucalyptus rossii* with new bark**

Plant List for Sweeney's Travelling Stock Reserve from several visits

? indicates that those present were unsure of the plant name

Acacia dealbata
Acacia mearnsii
Acacia melanoxylon

Acacia parramattensis
Acaena novae-zelandiae
Acaena ovina

Ajuga australis
Alternanthera denticulata
Amphibromus nervosus
Amyema sp.
Aristida ramosa
Arthropodium milleflorum
Arthropodium minus
Asperula conferta
Asplenium flabellifolium
Astroloma humifusum
Austrodanthonia carphoides
Austrodanthonia laevis
Austrodanthonia sp.
Austrostipa bigeniculata
Austrostipa densiflora
Austrostipa scabra ssp. *falcata*
Austrostipa sp.
Bossiaea prostrata
Bothriochloa macra
Brachyloma daphnoides
Bulbine bulbosa
Calocephalus citreus
Calotis anthemoides
Carex appressa
Carex inversa
Cassinia aculeata
Cassinia longifolia
Cassinia quinquefaria
Centipeda sp.
Chamaesyce drummondii
Cheilanthes sp.
Chrysocephalum apiculatum (2 forms)
Convolvulus erubescens
Craspedia variabilis
Crassula sp.
Cryptandra amara var *longiflora*
Cullen tenax
Cymbonotus lawsonianus
Cynoglossum suaveolens
Damasonium minus
Daucus glochidiatus
Daviesia genistifolia
Desmodium varians
Dichelachne parva
Dichelachne ? *micrantha*
Dichondra repens
Dichopogon fimbriatus
Dillwynia sericea
Drosera peltata
E. pauciflora x *E. viminalis* ?
Einadia nutans
Eleocharis minus
Elymus scaber
Eryngium rostratum

Eucalyptus bridgesiana
Eucalyptus dives
Eucalyptus mannifera
Eucalyptus melliodora
Eucalyptus rubida
Eucalyptus viminalis
Eucalyptus pauciflora
Euchiton involucratus
Euchiton sphaericus
Galium gaudichaudii
Geranium solanderi
Glycine clandestina
Glycine tabacina
Gnaphalium sp.
Gonocarpus tetragynus
Goodenia hederacea
Gratiola peruviana
Haloragis heterophylla
Helichrysum rutidolepis
Hibbertia obtusifolia
Hovea heterophylla
Hydrocotyle ? *peduncularis*
Hydrocotyle laxiflora
Hypericum gramineum
Hypoxis hygrometrica
Isotoma fluviatilis
Juncus sp (3)
Kunzea ericoides
Lachnagrostis filiformis
Leptorhynchus squamatus
Leptospermum sp.
Lissanthe strigosa
Lomandra filiformis ssp. *coriacea*
Lomandra multiflora
Luzula densiflora
Lythrum hyssopifolia
Melichrus urceolatus
Microlaena stipoides
Microtis ? *unifolia*
Myriophyllum sp.
Panicum effusum
Persicaria prostrata
Persoonia mollis
Pimelea curviflora
Plantago sp.
Plantago varia
Poa meionectes
Poa sieberiana
Poranthera microphylla
Potamogeton sp.
Pultenaea subspicata
Ranunculus lappaceus
Rumex brownii
Schoenus apogon

Schoenus sp.
Scleranthus biflorus
Senecio quadridentatus
Solenogyne dominii
Stackhousia monogyna
Stylidium despectum
Thelymitra sp.
Themeda triandra
Thysanotus tuberosus

Tricoryne elatior
Tryptilodiscus pygmaeus
Viola betonicifolia
Vittadinia gracilis
Vittadinia muelleri
Wahlenbergia communis
Wahlenbergia gracilentia
Wurmbea dioica
